News and information about your public-owned transportation system, published in this newspaper as a community service from the Southern California Rapid Transit District.

By ARTIE DEE

**Transportation Editor**

The third RTD Board member in this series of introductions, is David K. Hayward of Redondo Beach, unanimously appointed by the City Selection Committee. Mr. Hayward is a city councilman, a member of the District Attorney's Advisory Council, an alternate delegate to the League of California Cities, and past president of the Inter-City Highway Committee. He is active in civic and youth activities in the Redondo Beach area.

Mr. Hayward has spearheaded new and improved bus service throughout the system and is keenly aware of the growing need for fast, efficient rapid transit. Take it from me, you're in good hands with Dave Hayward.

For anyone with time on their hands and even a little bit of adventure in their bones, I can suggest some real good sight-seeing.

The RTD line 60 flyer going east through the San Gabriel Valley will provide plenty of rubber necking to keep you busy. Going east on the San Bernardino freeway, you will pass the new Covina Hills addition of Forest Lawn. In Ontario, you'll go directly through the fast growing Ontario International Airport, soon to become the hub of commercial aviation in San Gabriel Valley. Beyond Ontario you'll see literally thousands of acres of grape vineyards and some of the most beautiful homesites this side of heaven. Next and last stop is Riverside, home of the age old Mission Inn, a place you'll want to spend an hour or two just looking. You can either return the same way and sit on the opposite side of the bus or you can go through San Bernardino, Fontana, etc.

The recent rain storm that brought devastation to much of the southland, reminded me of something I have known for a long time, but had forgotten. Buses go where cars dare to tread. On many occasions, I saw a big RTD bus plowing along through streets that were littered with drowned out cars. Let's you forget, it could rain again.

**THOUGHT FOR TODAY**  
The man who rests on his laurels is wearing them in the wrong place.

Q. I know there is a bus through Playa del Rey, but does it take me anywhere near Pasadena? If not, how can I get there? Mrs. R.V.

A. There are two ways you can go, one takes two buses, the other three. Take the 13 line to Spring Street in Los Angeles and change to the 70 or 71 line to Pasadena. The other way, is to take the 13 line to Culver City and change to the 21 line to Hollywood and then the 31 line to Pasadena.

Q. We live near El Segundo and Normandy, what bus do we get to go to the Sports Arena? Mr. T.L.

A. Catch the Torrance No. 1 line to Santa Barbara and Figueroa and your there.

Q. I live on Rosecrans between Hawthorne and Crenshaw and can ride the 101 line to Manchester and the 54 to the Forum, but how can I get home? The 101 line quits running around 6 p.m. L.R.C.

A. My only solution to that problem is to watch it on T.V. or prepare for one heck of a walk.

Q. Is there any place in the Hawthorne area that I can buy a monthly pass? I usually get one downtown, but if I can buy one nearer home it will help. Mrs. M.J.

A. Try Kissam Camera Shop at 136 North Market Street in Inglewood and tell them old Artie sent you.

Send your questions to Artie Dee, Transportation Editor, care of this newspaper. All questions will be answered in the column, or by mail. A system map will be sent FREE to each person writing. NO STAMPS OR STAMPED ENVELOPES ARE NECESSARY
